Operating Rules and Regulations

Approved by Building/Grounds and Recreational Committee: March 13, 2007

Approved by Village of Spencerville's Council: March 19, 2007

**Revised and Approved by Village Council: Resolution 21-22 – 6-7-2021
 Resolution 22-24 – 5-16-2022**

The following rules and regulations have been established for the benefit and protection of all users of the Spencerville Swimming Pool and facilities. All patrons must observe these rules and regulations and must be considerate of the rights of other patrons. Parents are responsible for ensuring that their children observe the rules and obey the instructions of the Pool Manager, the lifeguards, other pool attendants, Buildings and Grounds/Recreation Committee, and the Village of Spencerville.

1. Pool Management and Control

The Pool Manager or in his/her absence, the Assistant Manager, is in complete charge of the pool. As the agent of the Village of Spencerville, he/she will operate the swimming pool in a safe and orderly manner, will supervise all personnel, and is responsible for enforcing all rules and regulations. The Pool Manager is authorized to make on-the-spot decisions regarding these rules and regulations. All persons using the pool facilities are expected to observe these rules and to follow the direction of the Pool Manager and his/her Assistant. Serious or repeated offenses will be reported to Pool Management for consideration of further appropriate actions.

When the weather conditions dictate that the pool should be closed, the Pool Management is responsible and authorized to the clear and close the pool.

2. Hours of Operation

- A. Operating hours for the general public shall be from 12:00 p.m. to 7:00 p.m., Monday through Sunday. All persons must clear the pool area and parking lot promptly (within 15 minutes of the closing time of the Pool) in order to allow the staff time to clean and close the premises. Private pool parties may be booked during the regular season, but after normal operating hours. Cost will be charged as per current ordinance.
- B. The pool will be closed as necessary for emergency maintenance operations. At such times, NO ONE is permitted within the pool enclosure except authorized personnel.
- C. The pool will open for general swimming at the discretion of the Pool Management on any day when the air temperature is not at 70 degrees or above. However, if the air temperature does go above 70 degrees before 3:00 p.m. the pool will open. If the air temperature does not go above 70 degrees, the pool will remain closed. The pool shall be closed if the air temperature at the

pool drops below 70 degrees any time during the day. In case of any such closure, the guards will confirm this with the Pool Manager.

- D. The Pool Manager has the authority to close the pool for inclement weather (local or approaching electrical storm) and Tornado warning. No rain checks for Bad Weather Closing will be issued without approval from the manager. When closing occurs during open pool hours, the manager will close the pool for 30 minutes. If conditions do not improve during that time, the manager will close the pool for the day.
- E. Other pool closings for special events or functions must be authorized by the Pool Management. To the extent possible, the public shall be advised of such closings in advance.
- F. Any person entering, using or remaining upon the pool premises other than during the designated hours of operation, unless specifically authorized by the Pool Management, shall be considered a trespasser and subject to criminal and civil prosecution.

3. Admission

- A. Admission, be it either daily admission or a season pass, to the Village pool will be charged as per current ordinance.
- B. No child 8 years old or under shall be permitted at the pool without a person who is 14 years or older. The older person must remain at the pool and supervise the younger child (ren) at all times. **Parents are reminded that they are ultimately responsible for their child (ren) at all times**
- C. No one shall use another person's pass to gain entrance to the pool. Anyone found using another person's pass or in turn letting another person use their pool pass will have their pool pass revoked and the pass user will have their pool privileges terminated for the remainder of the season.
- D. Season Pass: A Season Pass shall be available to any one age 3 or above. The pass shall only be good for the person whose name appears on the pass at the time of purchase. The price for a Season Pass shall be charged as per current Ordinance. The Season Pass shall be used any day of the week at any time the pool is in normal operation.

4. Health and Safety

- A. The Pool Management, will have final and conclusive authority to enforce all regulations relating to health and safety, and will eject from the Village of Spencerville Swimming Pool property any persons failing to observe health and safety rules, or who otherwise improperly conduct themselves. Repeated offenses will be reported to the Pool Management for consideration of further action as deemed appropriate.
- B. In the event of an emergency, the pool will be cleared of all occupants.
- C. Once each hour the lifeguards will signal a 15-minute break period for swimmers age 17 and under. ALL swimmers age 17 and under must clear the pool at that time and remain out of the pool until the lifeguards signal the end of the break period.

Swimmers that will be allowed during breaks are adults (18 yrs of age or older) and pre-school age children when accompanied by an adult.

No lifeguards will be permitted to take children into the pool.
